
PREFACE

1. GENERAL

- 1.01 This issue replaces and supersedes previous issues with regard to the items contained herein.
- 1.02 This General Tariff contains the terms and conditions of the basic contract for service that exists between Northern Telephone Limited, hereinafter called the Company and each of its customers or lessees for all the services, equipment and facilities furnished by the Company.
- 1.03 The other sections contain the rates, rentals and charges for all service, equipment and facilities on a general basis in all of the Companies Exchanges.
- 1.04 The Company must apply the rates specified in this Tariff. There is no authority to apply different rates and charges for service, equipment or facilities unless otherwise specified in the Tariff.
- 1.05 In this General Tariff, "Commission" means the Canadian Radio-television and Telecommunications Commission.
